3. *PRIORITY DISCUSSION/ACTION ITEMS

3.1 *Student Participation in Manufacturing Skills for Connecticut

The Manufacturing program at Bacon Academy has been selected for a Program Review and virtual site visit as part of the Manufacturing Skills for Connecticut initiative. Manufacturing Skills for Connecticut is a two-year project established to improve career pathways to advanced manufacturing within the K-12 school system. Bacon Academy is one of only ten schools in the State whose program practices will be reviewed, profiled, and reported as part of an ongoing process to improve and expand high-impact career pathway models. Student participation involves the collection of student data, requiring BOE approval.
